Dec 09, 2015 · Here's my full essay for the 'positive or negative development' question that we've been looking at over the last few weeks. In some countries, many more people are choosing to live alone nowadays than in the past. Do you think this is a positive or negative development? In recent years it has become far more normal for people to live alone, particularly in large cities ...

1123 Words | 5 Pages. The gender wage gap is a blatant act of sexism in which women get paid 80 cents to a man's dollar. So why is it that work done by women is still valued less in modern day society? The answer when asked is women put in less hours in the office or the gender wage gap is just a myth.
