Anatomy and Physiology Coloring Workbook: A Complete Study Guide. View solutions and explanations

The dorsal body cavity is located along the dorsal (posterior) surface of the human body, where it is subdivided into the cranial cavity housing the brain and the spinal cavity housing the spinal cord. The two cavities are continuous with one another. The covering and protective membranes for the dorsal body cavity are the meninges. It is one of the two main body cavities, along with the

Apr 12, 2019 · Fun Facts About The Skeletal System: The skeletal system forms the human skeleton that supports the body and allows for movement. Paramount to the functioning of the skeletal system is the muscular system, without which the skeletal system will collapse. Therefore, the human skeleton cannot function on its own without the continued support of the muscles, ...

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
