This book is an outcome of a two-day international conference convened to discuss the changing notion of human rights from different perspectives. While focusing on the increasing relevance of human rights in an era of globalization, the book analyses the various legal-political, socio-economic, gender, ecological and international dimensions of this issue. From the large number of papers presented at the conference, sixteen articles have been selected for this volume. These are presented in four parts: namely, politico-legal, socio-economic, ecological and gender, and the transnational. The introductory section presents the major issues and concerns highlighted by the editors and carries the keynote address by Professor Yogesh Atal. Written by both young and veteran social scientists, the book presents a unique combination of theoretical and practical studies of human rights in comparative perspectives. The book will attract readership from the academe, human rights activists, and the concerned citizenry, and will be useful to students of law, political science, public administration, and sociology.

### UGC-NET/JRF/SET Geography (Papers – II and III)

This book is written keeping in view revised syllabus and Question Pattern of UGC SET/NET Exams. The book contains question papers with immediate accurate solutions. Usually immediate and accurate solutions are not provided in any book, where students find it difficult to get clarity of the concept. Only providing answer keys at the end of the question paper doesn't serve the purpose. I faced all these limitations when I have attempted these examinations. Various states also conduct their State Eligibility Test for determining the eligibility for Assistant Professor. Usually students find it difficult to get the material for their respective state level exam. I have qualified SET for seven different states including J&K, Maharashtra, Tamilnadu, Kerala, Karnataka, Telangana, and North Eastern Region. So, through these exams I got the understanding of how to incorporate specific needs of those respective states also. This book is an attempt to provide enough practice exercises to make the students perfect and confident before the exams. This book is For Teaching and Research aptitude Paper One. It consists of all types of questions and comprehensive syllabus of NET/SET Paper one. Proposed book by the author: The next book proposed by authors is "Commerce SET/NET-A Comprehensive Look". This book is the in-depth expertise of mine in the domain of Commerce.

The book "COMMERCE SET-NET-JRF-A COMPREHENSIVE LOOK" is a comprehensive book for aspirants in the domain of Commerce and Management. All the subjects are very well incorporated in this book. NTA has revised the new pattern of examination and we have designed the book to meet those specific requirements. Practically speaking since last eight years I have given SET-NET Exams, I have faced a big challenge of books for exams. There are very few books in the domain of Commerce and Management. These books are like guide format which consists question and answers without proper justification of answers. Exams are tough nowadays and relying on limited source of information is waste of time. By realizing this need we have designed this book "COMMERCE SET-NET-JRF-A COMPREHENSIVE LOOK" This book has taken into consideration every single aspect which aspirant think he should have in his hand while preparing for the exam. My expertise in this domain is since last eight years and I have qualified exams for record 17 times in the domain of Commerce and Management. We have carefully gone through all the state level exam papers, their level of difficulty and provided valuable justification at the end of the each question. Subject like Economics can be very well understood through diagrams. We have incorporated diagrams in the book wherever necessary. Most of the information provided in this book is taken from authentic and original source with due acknowledgement to

them. All the subjects are very well incorporated in this book and it will be a must-read book for all the aspirants.
