List of Political Theories and Concepts - HKT Consultant Theories of racism A variety of explanations for prejudice and racism have been advanced by social psychologists throughout the last 100 years. The prevalence of particular kinds of explanations has shifted during this time depending on wider historical and social factors and the dominance of specific paradigmatic frameworks within the discipline.

Imperialism and China, c. 1800-1949 - Chinese Studies This is a review of the theoretical development of the concept of racism. From its 1960s activist roots, the concept lost its theoretical content in its 1970s popularization.

Colonialism (Stanford Encyclopedia of Philosophy) These theories were influenced by colonialism and imperialism, and the desire to show that non-white groups were inferior in order to justify the actions of Western nations. The current use of the terms 'race' and 'racial' have developed because these false notions of racial difference have become embedded in the beliefs and behaviours

Racism — Global Issues Jan 05, 2022 · Racism. Racism is likely a familiar term to most of us. It is a belief that some racial groups are superior to others, for example more intelligent ...

Imperialism - Wikipedia The Taproot of Imperialism. Hobson states that what he called the "taproot of imperialism" is not in nationalist pride, but in capitalist oligarchy; and, as a form of economic organization, imperialism is unnecessary and immoral, the result of the mis-distribution of wealth in a capitalist society. He argues that the so-called dysfunction of the political economy created the socio ...

History of the Belgian Congo: Imperialism, Genocide Jun 08, 2017 · Traces the development of Chinese antireligionism from its inception as anti-Christian violence in the 19th century to anti-

imperialism in the Leninist sense. Characterizes (p. 2) the impact of imperialism on China as involving three distinct aspects: "military technology and ammunition, productive machines and merchandise, and culture and

(PDF) Theories and Practices of Development Studies Jul 08, 2009 · Racism has also been used to justify exploitation, even using pseudo-science: Debates over the origins of racism often suffer from a lack of clarity over the term. Many conflate recent forms of racism with earlier forms of ethnic and national conflict. In most cases ethno-national conflict seems to owe to conflict over land and strategic resources.

Imperialism (Hobson) - Wikipedia The rise of the far-right globally is a frightening development. In the U.S. and Brazil, far-right politicians are the heads of state. Far-right parties have swept to power in Eastern Europe and have gained footholds in Western Europe too, promoting a return to "traditional" family roles, attacks on sexual diversity, antisemitism and islamophobia, anti-immigrant sentiment [...]

Racism: individual, institutional and structural Oct 02, 2020 · The killing of George Floyd by police in Minneapolis in May 2020 sparked a global rebellion against racism that has been remarkable in its reach, determination and resilience.. 1 The Black Lives Matter (BLM) movement has shone a spotlight not just on police racism, but on how racism impacts on all areas of our lives—in education, health, employment, ...

PODCAST: Michael Hudson's "Super Imperialism" explains how Social Darwinism was a sociological theory popular in late nineteenth-century Europe and the United States. It merged Charles Darwin's theory of natural selection and Herbert Spencer's sociological theories to justify imperialism, racism, and laissez-faire (i.e. conservative) social and economic policies.

(PDF) Racism: Origin and Theory - ResearchGate Imperialism is a policy or ideology of extending rule over peoples and other countries, for extending political and economic access, power and control, often through employing hard power, especially military force, but also soft power. While related to the concepts of colonialism and empire, imperialism is a distinct concept that can apply to other forms of expansion and many ...

Unit 3: The Industrial Revolution and Imperialism Nov 18, 2021 · And if you want to learn how that works, the place to go is Super Imperialism by Michael Hudson. It's been recently reissued with a new concluding chapter, and it pretty much breaks it down: It's a fantastic book, and kind of disturbing, too, that makes you realize how shaky the foundations of our whole world right now are.
