Jan 05, 2022 · The Best Car Stereos should reflect the latest in digital audio technology. For example, compatibility with smartphones and the most common internet radio apps. Smartphones are really the single and only medium for listening to music in cars at this point, so a head unit that supports connected devices and comes standard with certain features is a must.

Oct 01, 2019 · **most4linux driver allows for user-space communication over the MOST network and links to the Advanced Linux Sound Architecture (ALSA) framework to read and write audio data. At the moment, most4linux should be considered alpha quality, but it includes some example utilities that you may be able to build upon, namely: most_**
