Mar 20, 2007 · Let's see if it's possible to temporarily fix the U key without buying any spare parts. Personally, I cannot use keyboard without U key but I can live without a key located on the side from the right ALT - the "Right clicker" key. In the following guide I will remove one key I never use and install it in the place of missing U.

Should You Buy an Extended Warranty for a Laptop

Jan 06, 2022 · Samsung, one of the self-styled kings of folding phones, would like to remind you that it could do the same for laptops with the Flex Note. Asus already showed off a 17-inch folding Windows tablet earlier in the week and the Flex Note appears cut from the same cloth. Samsung's video describes it as an OLED display that folds down to a 13-inch form factor and then unfolds ...
