### **[Rookie Bundle](#)**

*'In an illuminating and darkly intelligent study, William Miller has revealed humiliation as the closet dominatrix she is, an emotion whose power to discipline us makes the world go round. Miller makes his pages blaze and roar by throwing another handful of hollow complacencies upon the fire. The five essays making up this book are about the persistence of the norm of reciprocity in our daily lives, about the ways in which shame and envy and especially humiliation sustain 'cultures of honor' to this day.'* -Speculum

### **[Humiliation](#)**

*Thomas Nagel's Mortal Questions explores some fundamental issues concerning the meaning, nature and value of human life. Questions about our attitudes to death, sexual behaviour, social inequality, war and political power are shown to lead to more obviously philosophical problems about personal identity, consciousness, freedom, and value. This original and illuminating book aims at a form of understanding that is both theoretical and personal in its lively engagement with what are literally issues of life and death.*

### [The Bible Promise Book](#)

*A collection of four erotic short stories about Matt, the experience captain, and Jake, a bratty superstar rookie on a professional hockey team. Matt loves to tease Jake about his age, push his buttons, and put him in his place, but deeply cares about his rookie. After their first sexual experience one night on a road trip, the two athletes have become more bold about how and where they fuck, and continue to create a stronger bond.*

### [Bible Promises for You](#)

*A hymnal featuring the greatest hymns of church history and today.*

### [The Last Word](#)

*Ever since she can remember, 18-year-old Gisela Winry has wanted to dance. Her strict father sees dancing as the path to immorality, licentiousness and debauchery. Devastated at his wrath after she secretly auditions and wins the title Harvest Queen of Ylvaaton, Gisela turns to her best friend, Hilarion, who proposes a path she cannot take. With their friendship broken, Hilarion retreats to the solace of the forest where he lets his hatred and jealousy fester. Meanwhile, Gisela meets Vincent, a young nobleman seeking to escape his dead brother's shadow. Will Gisela be able to uphold her family honour and get to do the one thing she's always been passionate about? Will Vincent's chance encounter with the lovely harvest queen from a tiny village become more meaningful than earning his father's approval? And will Hilarion fight for the love of his life or give in to the darkness within him? Immerse yourself in the life of the common people of Vendale in this prequel to The Siblings' Tale. Gisela's Passion is the retelling of a lesser-known Slavic folk tale, which is better known in its incarnation as a French ballet. The e-book of Gisela's Passion also includes exclusive access to "Vincent's Dream OR The Power of Decisiveness". This alternative ending to Gisela's Passion, which explores the possibility of a different path for the three protagonists of this story, is not intended for wider publication. The link to Vincent's Dream is embedded in a hidden place. This is a treasure hunt. Good luck!*

*Introducing the First Biography of the Life and Ministry of R. C. Sproul R. C. Sproul (1939-2017) was a pastor, a professor, an author, and the founder and president of Ligonier Ministries. His contributions in the areas of biblical studies, theology, worldview and culture, Christian living, and church history continue to be held in high regard. In this book, Stephen J. Nichols offers an in-depth look at Sproul's life and ministry—his childhood; his formative seminary education; his marriage and partnership with his beloved wife, Vesta; his influence on broader American evangelicalism; and his many friendships with key figures such as James Montgomery Boice, John MacArthur, John Piper, J. I. Packer, and Chuck Colson. This biography details the profound impact Sproul had on the lives of many during his lifetime, and highlights the various ways his legacy continues to influence countless pastors and students worldwide.*

### [Hitch-22](#)

*New translations of key texts from a tradition many consider the most direct path to enlightenment.*

### [Simply Good News](#)

*A Missal for Children will help children to better understand what the holy Mass is, and will guide them through the liturgy to meditate on the mystery of the Eucharist. Each of the prayers of the Mass is numbered. The same number precedes the explanation of the prayer on the facing page. This way, children can read the text of the Mass on the right-hand page and find its explanation on the left. All the lovely illustrations will help them to understand the actions of the priest and the deeper meaning of the Mass. A Missal for Children is the perfect companion to help your children to participate in the prayers at Mass, prepare for receiving Communion, say a prayer of thanksgiving after Communion, pray every morning and evening on their own or as a family, and prepare themselves to confess their sins in the Sacrament of Reconciliation.*

### [The Apprentice Storyteller](#)

*You were always meant to be brave. Whether you're making a major decision, dealing with a difficult transition, or facing a fear, 100 Days to Brave will give you courage and confidence to move forward. Annie F. Downs felt her challenges were too difficult, too scary, too much. Then she decided to stop allowing fear to hold her back. It wasn't easy or simple. But it was good. With honesty and relatable humor, this compilation of best-of writings and new pieces from Annie will give you the inspiration to embrace the path and the plan God has for you and experience personal growth. Dare to spend the next 100 days discovering that you are braver than you know and stronger than you thought possible.*

### [The Dream of God](#)

*The Alchemist meets fantasy with a splash of space opera. Viola Alerion, a renowned storyteller in the Haldrian Empire, wants to be left in peace. For years, she's been hounded by her past, never to find a moment's rest. Then she meets a boy who wants to become her apprentice. He refuses to take no for an answer, and she reluctantly yields, even though she knows taking him with her could endanger his life. As their journey progresses, Viola begins to understand she's not the only*

*teacher in the equation. The nameless boy also has something to teach, but Viola makes for a reluctant student. Can she give way to possibility and embrace a future in alignment with what she's always wanted? Can she find the courage to embrace the principles that will transform her life? Can she overcome her circumstances and face her past? Or will she keep on running with nowhere to hide? And what of the boy who guards untold secrets and exhibits mysterious powers that defy belief? The e-book of The Apprentice Storyteller also includes exclusive access to "Viola's Guide to Achieving the Impossible". This workbook to help guide you through the first steps towards achieving your own dream is based on key transformational principles from the DreamBuilder(TM) Course and is not intended for publication. The workbook is only accessible through The Apprentice Storyteller e-book. The link to Viola's Guide to Achieving the Impossible is embedded in a concealed place. This is a treasure hunt. Good luck!*

### [\*\*The Man of God: His Calling and Godly Life\*\*](#)

*"A philosophical and spiritual defense of the premodern world, of the tragic view, of physical courage, and of masculinity and self-sacrifice in an age when those ancient virtues are too often caricatured and dismissed." —Victor Davis Hanson Award-winning author Michael Walsh celebrates the masculine attributes of heroism that forged American civilization and Western culture by exploring historical battles in which soldiers chose death over dishonor in Last Stands: Why Men Fight When All Is Lost. In our contemporary era, men are increasingly denied their heritage as warriors. A survival instinct that's part of the human condition, the drive to wage war is natural. Without war, the United States would not exist. The technology that has eased manual labor, extended lifespans, and become an integral part of our lives and culture has often evolved from wartime scientific advancements. War is necessary to defend the social and political principles that define the virtues and freedoms of America and other Western nations. We should not be ashamed of the heroes who sacrificed their lives to build a better world. We should be honoring them. The son of a Korean War veteran of the Inchon landing and the battle of the Chosin Reservoir with the U.S. Marine Corps, Michael Walsh knows all about heroism, valor, and the call of duty that requires men to fight for something greater than themselves to protect their families, fellow countrymen, and most of all their fellow soldiers. In Last Stands, Walsh reveals the causes and outcomes of more than a dozen battles in which a small fighting force refused to surrender to a far larger force, often dying to the last man. From the Spartans' defiance at Thermopylae and Roland's epic defense of Charlemagne's rear guard at Roncevaux Pass, through Santa Anna's siege of the Alamo defended by Davy Crockett and Jim Bowie to the skirmish at Little Big Horn between Crazy Horse's Sioux nation and George Armstrong Custer's Seventh Cavalry, to the Soviets' titanic struggle against the German Wehrmacht at Stalingrad, and more, Walsh reminds us all of the debt we owe to heroes willing to risk their lives against overwhelming odds—and how these sacrifices and battles are not only a part of military history but our common civilizational heritage.*

### [\*\*The Flight of the Garuda\*\*](#)

*Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' Little Book of Wisdom: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."*

### [Hymns of Grace](#)

*A bold and all-embracing exploration of the nature and progress of knowledge from one of today's great thinkers. Throughout history, mankind has struggled to understand life's mysteries, from the mundane to the seemingly miraculous. In this important new book, David Deutsch, an award-winning pioneer in the field of quantum computation, argues that explanations have a fundamental place in the universe. They have unlimited scope and power to cause change, and the quest to improve them is the basic regulating principle not only of science but of all successful human endeavor. This stream of ever improving explanations has infinite reach, according to Deutsch: we are subject only to the laws of physics, and they impose no upper boundary to what we can eventually understand, control, and achieve. In his previous book, The Fabric of Reality, Deutsch describe the four deepest strands of existing knowledge-the theories of evolution, quantum physics, knowledge, and computation-arguing jointly they reveal a unified fabric of reality. In this new book, he applies that worldview to a wide range of issues and unsolved problems, from creativity and free will to the origin and future of the human species. Filled with startling new conclusions about human choice, optimism, scientific explanation, and the evolution of culture, The Beginning of Infinity is a groundbreaking book that will become a classic of its kind.*

### [The Moral Landscape](#)

*In April-May 1994, 800,000 Rwandan Tutsis were massacred by their Hutu fellow citizens--about 10,000 a day, mostly being hacked to death by machete. In Machete Season, the veteran foreign correspondent Jean Hatzfeld reports on the results of his interviews with nine of the Hutu killers. They were all friends who came from a single region where they helped to kill 50,000 out of their 59,000 Tutsi neighbors, and all of them are now in prison, some awaiting execution. It is usually presumed that killers will not tell the truth about their brutal actions, but Hatzfeld elicited extraordinary testimony from these men about the genocide they had perpetrated. He rightly sees that their account raises as many questions as it answers. Adabert, Alphonse, Ignace, and the others (most of them farmers) told Hatzfeld how the work was given to them, what they thought about it, how they did it, and what their responses were to the bloodbath. "Killing is easier than farming," one says. "I got into it, no problem," says another. Each describes what it was like the first time he killed someone, what he felt like when he killed a mother and child, how he reacted when he killed a cordial acquaintance, how 'cutting' a person with a machete differed from 'cutting' a calf or a sugarcane. And they had plenty of time to tell Hatzfeld, too, about whether and why they had reconsidered their motives, their moral responsibility, their guilt, remorse, or indifference to the crimes. Hatzfeld's meditation on the banal, horrific testimony of the genocidaires and what it means is lucid, humane, and wise: he relates the Rwanda horror to war crimes and to other genocidal episodes in human history. Especially since the Holocaust, it has been conventional to presume that only depraved and monstrous evil incarnate could perpetrate such crimes, but it may be, he suggests, that such actions are within the realm of ordinary human conduct. To read this disturbing, enlightening and very brave book is to consider in a new light the foundation of human morality and ethics.*

### [A grammar of the Asante and Fante language called Tshi \[Chwee, Twi\]](#)

*New York Times Bestseller Foreword by Dr. Phil McGraw Ask yourself are you truly who you want to be? Is this the life you really want? Are you living each day as your best self? What can you change, today? How would you answer those questions? Think about your daily life. Are you thriving, or going through the motions? Are your days full of work, relationships and activities that are true to your authentic self, or do you feel trapped on a treadmill of responsibility? If you dream of a better life, now is the time to turn your dream into reality. And the tools you need are within your grasp, to design a life that is fulfilling on the deepest levels. Best Self will show you how. Mike Bayer, known to the thousands of clients whose lives he has changed as Coach Mike, has helped everyone from pop stars to business*

*executives to people just like you discover the freedom to be their best selves. By asking them and leading them to ask themselves a series of important but tough questions--such as "What are your core values?" "Do you go to bed each day more knowledgeable than when you woke up?" and "Am I neglecting some aspect of my physical health out of fear or denial?"--he helps them see what their Best Selves and Anti-Selves really look like. As a mental health specialist, a personal development coach, and an all-around change agent, Mike has seen the amazing ways in which lives can improve with honesty and clarity. He understands our struggles intimately, because he's faced--and overcome--his own. And he knows that change is possible. By working through each of the Seven SPHERES of life--Social, Personal, Health, Education, Relationships, Employment and Spiritual Development--Best Self is an accessible and interactive book that distills all of Coach Mike's wisdom into a compact, focused guide that will ignite anyone's desire for change. Chock full of revealing quizzes, and full of provocative questionnaires, Best Self will empower you to embrace your authenticity, acknowledge what is holding you back, and break through to live a passionate life to the fullest, forever.*

### **[Best Self](#)**

*If there is such a thing as reason, it has to be universal. Reason must reflect objective principles whose validity is independent of our point of view--principles that anyone with enough intelligence ought to be able to recognize as correct. But this generality of reason is what relativists and subjectivists deny in ever-increasing numbers. And such subjectivism is not just an inconsequential intellectual flourish or badge of theoretical chic. It is exploited to deflect argument and to belittle the pretensions of the arguments of others. The continuing spread of this relativistic way of thinking threatens to make public discourse increasingly difficult and to exacerbate the deep divisions of our society. In The Last Word, Thomas Nagel, one of the most influential philosophers writing in English, presents a sustained defense of reason against the attacks of subjectivism, delivering systematic rebuttals of relativistic claims with respect to language, logic, science, and ethics. He shows that the last word in disputes about the objective validity of any form of thought must lie in some unqualified thoughts about how things are--thoughts that we cannot regard from outside as mere psychological dispositions.*

### **[The Beginning of Infinity](#)**

### **[A Missal for Children](#)**

### **[The Anatomy of Disgust](#)**

*William Miller details our anxious relation to basic life processes; eating, excreting, fornicating, decaying, and dying. But disgust pushes beyond the flesh to vivify the larger social order with the idiom it commandeers from the sights, smells, tastes, feels, and sounds of fleshly physicality. Disgust and contempt, Miller argues, play crucial political roles in creating and maintaining social hierarchy. Democracy depends less on respect for persons than on an equal distribution of contempt. Disgust, however, signals dangerous division.*

### [R. C. Sproul](#)

*"The Dream of God is a small masterpiece. . . . Her vision of the Bible is insightful and persuasive, her writing accessible and powerful." -- Marcus Borg "This contemporary prophet has touched lives and transformed hearts through her books and talks. Many centuries before Verna Dozier, there was Amos, from the country, speaking out in the market square against the corrupt practices of merchants who 'sell the righteous for silver and the needy for a pair of shoes.' In this century we have Dozier, a black female, spreading God's word in the nation's capital, across the country, and outside its borders." -- Washington Diocese Again and again the Christian church has fallen away from the dream God has for it, a dream in which we are called to follow Jesus and not merely to worship him. Through adept storytelling and Bible study, Dozier reawakens our sense of calling and our desire for truth.*
