Dec 20, 2021 · Folks, I've completed and released this season's NFL Pick 'Em pool. Like past years, many of you have been

diligently pestering me for a few weeks now. The tweaks I had to make to this year's version from last year's were to 1) update to the 2021-2022 schedule, which adds a Week 18 for the first time ever, and 2) make one small change to the macro that automatically

The calico cat is a sexual mosaic characterized by blotches of black, yellow and white fur. The genes (alleles) for black and yellow are linked to the same loci on two different X chromosomes. This is why calico cats are typically female because they have two X chromosomes, one with the black gene and one with the yellow gene.
