Of Mice and Men

A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unwavering obedience to the things George taught him. *Of Mice and Men* represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Menander, New Comedy and the Visual

From the author of the "engrossing historical epic" (Booklist) *The Scribe of Siena* comes a thrilling tale set in the crumbling city of Mystras, Greece, in which a scientist's vacation with her young son quickly turns into a fight for their lives after they cross paths with a man out of time. After the death of her beloved husband and becoming a single parent to her nine-year-old son Alexander, overworked scientist Helen desperately needs an escape. So when Alexander proposes a trip to Greece—somewhere he's always dreamed of visiting—Helen quickly agrees. After spending several days exploring the tourist-filled streets, they stumble upon the ancient city of Mystras and are instantly drawn to it. Its only resident is Elias, a mysterious tour guide living on the city's edges...both physically and temporally. In 1237, Elias's mother promised his eternal service to the Profitis Ilias in Mystras in exchange for surviving a terrible illness. But during his 800 years of labor, he's had one common enemy: the noble Lusignan family. The Lusignan line is cursed by a deadly disease that worsens with each generation, and a prophecy hints that Elias's blood is their only hope for a cure. He has managed to survive throughout the centuries, but the line has dwindled down to the last Lusignan and he is desperate to avert his family's destiny. When Elias runs into Helen, he meets his match for the first time—but he unwittingly puts both her and her young son in danger as a result. With time running out and an enemy after them, Elias and Helen are forced to choose between the city they love, and each other. Blending the

The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s.

Pedagogy into Practice

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

With her family's safety in jeopardy and her heart on the line, Willow finds herself trapped in a hopeless situation—marry the man who betrayed her and trust in his plan? Or can she navigate the deadly political landscape alone and save the ones she loves? The question may be easier said than done when an unearthen secret from the past flips her entire perspective on its head. Is Donatello the monster she's been led to believe? Or is he as much a victim of past events as she is... With a war looming and their relationship brewing, both find their loyalties tested to their breaking point—and a new threat on the horizon leaves them little time to waste. As the past and present finally collide, will they rise above the fray... Or will old grudges finally tear them apart? Mice and Men is a new standalone series in the War of Roses Universe.

A Christian SAT Preparation Expert Coaches You into College Getting ready for college includes performing well on the SAT. The SAT score helps determine acceptance into college and the acquisition of scholarships. In the new expanded edition of the SAT & College Preparation Course for the Christian Student, Dr. James Stobaugh offers the Christian student a unique opportunity to be well prepared for the test. Also, students will focus on the spiritual disciplines of Bible reading, study, Scripture meditation and memorization, and prayer. A former SAT scorer, Stobaugh reports, "the best SAT scores come from students who have serious, disciplined prayer and devotional lives." For this reason, the introduction to each lesson includes Scripture reading and a devotional journaling exercise. Critical thinking and essay writing are major themes within the SAT. Stobaugh coaches the Christian student who might otherwise passionately respond to a leading essay question without hitting the marks that the test is measuring.

In the late 1930s, John Steinbeck, Richard Wright, and Ernest Hemingway wrote novels that won critical acclaim and popular success: The Grapes of Wrath, Native Son, and For Whom the Bell Tolls. All three writers were involved with the Left at the time, and that commitment informed their fiction. Milton Cohen examines their motives for involvement with the Left; their novels' political themes; and why they separated from the Left after the novels were published. These writers were deeply conflicted about their political commitments, and Cohen explores the tensions that arose between politics and art, resulting in the abandonment of a political attachment.
