The Fundamentalist-Modernist controversy is a major schism that originated in the 1920s and '30s within the Presbyterian Church in the United States of America. At issue were foundational disputes about the role of Christianity, the authority of Scripture, the death, Resurrection, and atoning sacrifice of Jesus. Two broad factions within Protestantism emerged: Fundamentalists, ...

The basilic vein, another main superficial vein of the arm, runs along the inner side of the upper arm and forearm. The basilic vein is also commonly used for a venipuncture in the forearm rather than the upper arm 1. This is because halfway up the upper arm, the vein turns inwards to become a deep vein.
