Jul 19, 2021 · Real Friends vs. Fake Friends. When we're younger, we may not be as mindful or intentional about friendships. We focus more on trying to make ourselves fit into the friendship rather than finding friends who are a good match and who have "friendship integrity."

Well this one will only work if you have access to a cubic zirconia, a substance often used to replace real diamonds, of a similar size. Interestingly enough, a diamond weighs less than a cubic zirconia. If your stone weighs 55% less then what the cubic zirconia weighs, yours is a real diamond. If it weighs the same, it may very well be a fake.
