This is a relationship book unlike any one you've ever seen. An American monk who spent 25 years in Tibetan monasteries shares ancient secrets on how to find a partner, keep them, and achieve lasting happiness together. The book consists of answers to 100 questions asked by audiences all over the world during decades of his teachings on the Karma of Love. What's the karma to get my husband to hug me? To get my wife interested in sex again? Can I use karma to stop my girlfriend from texting other guys? Is it possible for physical intimacy to be spiritual? How can we use our relationship to help the world? The answers to the 100 questions are drawn from the teachings of The Diamond Cutter, which is the oldest dated printed book in the world. Michael Roach, the first American in history to receive the coveted Tibetan title of Geshe, or Master of Buddhism, applies the world-changing ideas of his international bestselling personal success book—also called The Diamond Cutter—to every aspect of our relationship: trust, communication, addictions, fun, in-laws, sex, peace, self-esteem, and many others.
