Some hymns simply have an extra sprinkling of divine magic. The first notes thrill from the organ, and we are home. There's little wonder that we refer to the majestic sound of choirs of angels: Surely the kingdom of God is full of the sound of singing. Author Richard H. Schmidt offers a homecoming of sorts in his newest book, *Sing to the Lord an Old Song*. His meditations on forty classic hymns remind us of a shared faith--by generations before and with generations to come. Though the words and tunes may be entrenched in memory, Schmidt sheds new light on these hymns, inviting us to think about the texts through various lenses of scripture, faith, and personal experience. His reflections are painstakingly honest about how and when he has come up short as a follower of Christ--as well as how he each time, he finds notes of forgiveness, love, and hope in these familiar songs. Saint Augustine explained the power of song in his oft-quoted adage that those who sing pray twice. Come, sing and pray of amazing grace. Amen. Alleluia!

The Word of God as it has been received by the church has embedded in it dozens of songs. Each of these songs has a story to tell us about God and God's people. In brief meditations, twelve faculty at Wycliffe College explore Songs of Scripture in this volume to answer the questions "Why do Scriptures tell us to sing? What are we to sing? What does singing make of us?" Each of these meditations will give you a new appreciation for God's gift of songs. By singing the words of Scripture, we tune our hearts to God's song.

How do I humble myself? Humility, according to the Bible, is not something we can just up and do. Both the negative and positive examples of Scripture--from Pharaoh to Rehoboam, from Josiah to Ahab, from Hezekiah to Manasseh, and even to Christ himself--teach us that humility first comes from the hand of God. He initiates the humbling of his creatures. And once he has, the question confronts us: Will you receive it? Will you humble yourself in response to his humbling hand, or will you kick against him? This concise, accessible study of Scripture's humble-self language uncovers two surprising lessons about the pursuit of humility in the Christian: both what we cannot do and also what steps we can take.

With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for *Frozen*, Hans Christian Andersen's *The Snow Queen* is one of the most beloved fairy tales in history. Are you struggling to find joy in life? Have you lost your ability to sing? Faced with a devastating diagnosis of progressive multiple sclerosis, Gary Miller found he needed more from his Bible studies. During Gary's in-depth study of God's promises, God revealed to him that a fulfilling life lies in praising the Lord. This experience developed into the powerful study of Psalms and the New Testament in *Sing to the Lord a New Song: Transforming Life through Scripture*. Learn to praise God for who He is and give Him thanks for what He has done. Recapture the excitement of your faith and celebrate who you are in Christ as you open your Bible and prepare your heart to Sing to the Lord a New Song in this interactive devotional.

These creative, reassuring and beautiful texts can be sung to well-known hymns and songs in worship, groups, or at home. Many are written for use with children's songs, making them perfect for school, nursery, and camp singing.

This book of 170 original Christian poems and songs is offered for family and individual worship in the hope that *Sing to the Lord* will refresh the excitement, wonder and joy of old truths that you have perhaps known for a long time. My friends of mature years are in my mind as I recall the medical maxim that *Sing to the Lord* is good for the cardio-vascular system. It is also good for the mind and soul to thoughtfully explore and even memorize Bible truths and poetically-condensed reminders of the marvellous love of God in Christ Jesus. So those who spend time alone may do their general health and mental alertness a favour by offering new praise to the Lord while they go about their normal home activities. Those unable to sing out loud for whatever reason may sing in their hearts with confidence that He Who knows the heart! appreciates the heart's song. This devotional content may also be shared in church groups, children's ministries and through personal correspondence. Psalm 91:1. "It is good to give thanks unto the Lord, and to sing praises to Your name, O Most High." Hebrews 13:15. "Therefore, let us continually offer the sacrifice of praise to God that is, the fruit of our lips, giving thanks to His name."

For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.

Pull away from the things that pull you down and find lasting encouragement for today. The women at Proverbs 31 Ministries offer 100 devotions of wit, wisdom, and encouragement for women. You will be drawn toward the truths God offers and enabled to rise above and become all God created you to be.

It was a dark, chilly night in September, 1884. A heavy gloom had descended over the streets of A, a small town on the Rhine, and was hanging like a black funeral-pall over the dull factory burgh. The greater number of its inhabitants, wearied by their long day's work, had hours before retired to stretch their tired limbs, and lay their aching heads upon their pillows. All was quiet in the large house; all was quiet in the deserted streets. I too was lying in my bed; alas, not one of rest, but of pain and sickness, to which I had been confined for some days. So still was everything in the house, that, as Longfellow has it, its stillness seemed almost audible. I could plainly hear the murmur of the blood, as it rushed through my aching body, producing that monotonous singing so familiar to one who lends a watchful ear to silence. I had listened to it until, in my nervous imagination, it had grown into the sound of a distant cataract, the fall of mighty waters when, suddenly changing its character, the ever growing *Singing!* merged into other and far more welcome sounds. It was the low, and at first scarce audible, whisper of a human voice. It approached, and gradually strengthening seemed to speak in my very ear. Thus sounds a voice speaking across a blue quiescent lake, in one of those wondrously acoustic gorges of the snow-capped mountains, where the air is so pure that a word pronounced half a mile off seems almost at the elbow. Yes; it was the voice of one whom to know is to reverence; of one, to me, owing to many mystic associations, most dear and holy; a voice familiar for long years and ever welcome: doubly so in hours of mental or physical suffering, for it always brings with it a ray of hope and consolation. *Courage!* it whispered in gentle, mellow tones. *Think of the days passed by you in sweet associations; of the great lessons received of Nature's truths; of the many errors of men concerning these truths; and try to add to them the experience of a night in this city. Let the narrative of a strange life, that will interest you, help to shorten the hours of suffering. Give your attention. Look yonder before you!* *Yonder!* meant the clear, large windows of an empty house on the other side of the narrow street of the German town. They faced my own in almost a straight line across the street, and my bed faced the windows of my sleeping room. Obedient to the suggestion, I directed my gaze towards them, and what I saw made me for the time being forget the agony of the pain that racked my swollen arm and rheumatoid body.

"Sing Unto the LORD." is a new and unique volume of Inspirational Messages in Poetry by Connie Campbell Bratcher. This book features titles of those great hymns of the faith that are so vital to our Christian heritage. As in Connie's four previous books, each poem is followed by a related verse of Scripture from the Holy Bible. May your heart be lifted in worship and praise to the Lord Jesus Christ, and may you be blessed beyond measure as you read and! Sing Unto the LORD."

From the author of *Little Women*: An American classic of young best friends in a rustic New England town. In post-Civil War New England, thirteen-year-old Jack Minot and Janey Pecq are inseparable best friends who live next door to each other in the town of Harmony Village. The pair does everything together: so much so that Janey is nicknamed *Jill!* to fit the old children's rhyme. One winter day, the friends share a sled down a treacherous hill and both end up injured and bedridden. Unable to go out and have fun, Jack, Jill, and their circle of friends begin to learn about more than the fun and games of their youth and discover what it means to grow up: exploring their town, their hearts, and the big, wide world beyond for the first time. This charming, wistful coming-of-age tale, written twelve years after Louisa May Alcott's classic *Little Women*, examines the strange, tempestuous changes of adolescence with homespun heart and worldly wisdom.

C.H. Spurgeon, the "Prince of Preachers," first published in weekly installments over a twenty-year period in the periodical *The Sword and the Trowel*. Originally published in seven volumes all of which are included here.

This book calls on all Christ followers, in these end times, to worship the Lord in spirit. This is what true Worshipers of God do. When we go to the lord in prayer, and worship him Him from the depths of our heart, God acknowledges our worship with a revelation. His divine presence, through His Holy Spirit becomes evident in ways that is largely inexplicable but is unmistakably felt by those who worship Him.

Sing to the Lord: Music in Divine Worship provides basic guidelines for understanding the role and ministry of music in the liturgy. An excellent resource for priests, deacons, and music ministers!

Ideas in Profile Series Is music a science or an art? It's both, as Andrew Gant reveals in this lively and accessible account of what music is and what it's for. Music has been central to life since the dawn of humankind and is intimately bound up with the origins of language. Andrew Gant introduces us to its long history and its many genres and manifestations. He explains how composers compose, players play and singers sing. He looks at how musical styles develop, the ways they fall in and out of fashion, and why certain kinds of music - dancing and love songs, for example - is a universal in human culture. He considers how music is composed, the nature of genius and the workings of inspiration. He shows how music can be composed and used to stir patriotism, instill courage, reinforce identity, sell a product, or make a political point. And he goes beyond humans to examine music in the natural world in the creativity of birdsong. This is, in short, the ideal introduction to a very big subject.

For as long as people have worshipped together, music has played a key role in church life. With *O Sing unto the Lord*, Andrew Gant offers a fascinating history of English church music, from the Latin chant of late antiquity to the

great proliferation of styles seen in contemporary repertoires. The ornate complexity of pre-Reformation Catholic liturgies revealed the exclusive nature of this form of worship. By contrast, simple English psalms, set to well-known folk songs, summed up the aims of the Reformation with its music for everyone. The Enlightenment brought hymns, the Methodists and Victorians a new delight in the beauty and emotion of worship. Today, church music mirrors our multifaceted worldview, embracing the sounds of pop and jazz along with the more traditional music of choir and organ. And reflecting its truly global reach, the influence of English church music can be found in everything from masses sung in Korean to American Sacred Harp singing. From medieval chorales to "Amazing Grace," West Gallery music to Christmas carols, English church music has broken through the boundaries of time, place, and denomination to remain familiar and cherished everywhere. Expansive and sure to appeal to all music lovers, O Sing unto the Lord is the biography of a tradition, a book about people, and a celebration of one of the most important sides to our cultural heritage.

This little book tackles the big questions about worship music. In considering the theology of biblical and Reformed worship and the purpose of music in worship, Pastor Janssen develops objective guidelines which lead to an evaluation tool for selecting the best music for worship. This book helpfully moves beyond personal preference, leading to greater light than heat in the continuing discussion of worship practice. Written from a pastoral perspective, this book is theological, readable, and practical.

This comprehensive new resource provides richly crafted musical settings for every responsorial psalm and Gospel acclamation used in the "Lectionary for Mass

Sing! has grown from Keith and Kristyn Getty's passion for congregational singing; it's been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims: to discover why we sing and the overwhelming joy and holy privilege that comes with singing to consider how singing impacts our hearts and minds and all of our lives to cultivate a culture of family singing in our daily home life to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity to inspire us to see congregational singing as a radical witness to the world They have also added a few "bonus tracks" at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing: a people joyfully joining together in song with brothers and sisters around the world and around his heavenly throne: to include you. He wants you, he wants us, to sing.

611 hymns, Gospel songs, and choruses, in a beautiful blend of the traditional and the new. There are 10 indexes, 149 readings, 29 worship sequences, and a full set of companion products.
