Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering

the detours of life. Regardless of how lost you feel, you, too, can be found. No matter your circumstances, God calls you blessed! While you may not be able to control the unexpected trials and troubles you face on a daily basis, you can learn how to draw strength from the blessing of the Lord! In his dynamic style, Bishop T.D. Find power in your prayer like never before with this inspiring guide from #1 New York Times bestselling author Bishop T.D. Jakes. In a time when women carry more influence than any other generation, the power of prayer has never been more important to remind us that we do not have to bear our crosses alone. We need prayer to stand guard over our hearts and minds and over the

hearts and minds of our families. Women today are shattering glass ceilings and forging new paths in the world. What Happens When a Woman Prays is a clarion call for women to continue their progressive march of empowerment by dreaming like their daughters and praying like their grandmothers. Through exploring the lives of 10 prayer-filled women of the Bible, Bishop Jakes emphasizes the life-changing power that women have when they find their identity, their strength, their healing, and their voices in Christ. From Genesis to Revelation, it is clear that the Holy Bible is, in the words of Bishop T.D. Jakes, "The Greatest Love Story Ever Told." It is not a book about religion, but relationships—from the creation of a man and a woman and their intimate relationship with God in the Garden through the tragic break in that relationship at the Fall and the eventual restoration of that relationship through Jesus Christ and His death on the cross of Calvary. Let's face it, we all have questions about relationships in life. When you lay your head down on the pillow at night, do you find these questions about your relationship with God running through your mind? How can I know God personally? Can I find peace and true contentment? What is the purpose of my life? How do I know how God wants me to live? What is prayer? Throughout our lives, we all face a long list of questions on relationships that trouble our souls and require real answers based on real truth. How do I forgive someone who has hurt me badly? Can I mend this broken relationship? When my world seems to be falling apart around me, who can I trust and in whom dare I confide? How do I know whether a person is the right one to date? Will my marriage survive? How do I nourish my child's heart? What do I do with my fears about expressing my love and care to a friend? The good news is that in God's Word we find the answers to life's bewildering relationship questions. We are not left to figure it out on our own and in our own strength and power. You are invited to begin a lifelong journey to

New York Times bestselling author and trusted pastor Dr. Charles Stanley shares practical guidance and encouragement on a topic that touches every person on earth—emotions. God has gifted us with emotions since the very beginning—and he did so with very concrete purposes in mind—so that we can enjoy life, so we can connect with others, and so we can reflect God's image in us.

But too often, instead of making the best of this gift, our emotions make the worst of us. Though we cannot see, taste, or touch our emotions, we are constantly affected by their forceful presence and the incredible influence they have over us. They can alter how we view our day, other people, and even the major events in our lives. Through our feelings, we have the capacity to enjoy amazing triumphs and deep fulfillment or experience crushing defeat and ruined relationships. As Dr. Stanley deals with five key destructive emotions—fear, rejection, guilt, bitterness, and despair—he shares four simple steps for handling our emotions in a healthy manner. Revealing God's original purpose for emotions and wisely exposing the root of all negative emotions, Dr. Stanley will touch your heart as he teaches you how to find joy and fulfillment in the God-given gift of emotions. Powerful and inspiring, *Emotions* teaches you how to become free of negative emotions and reclaim the purpose and joy for which God created them.
